Local Surgeon Selected to Teach Arthroscopic Technique at Shoulder Symposium

ROCKFORD, IL April 26, 2010 ... **Scott W. Trenhaile, MD**, of Rockford Orthopedic Associates, Ltd. was invited to teach at a recent shoulder symposium in Naples, Florida. He performed a didactic and live shoulder surgery course for 90 orthopedic surgeons on AC Joint reconstruction and rotator cuff repair at the April 9 - 10th, 2010 event.

Dr. Trenhaile was selected for his technique improvements and expertise in the highest level of surgical shoulder care. As a Board-Certified surgeon, Dr. Trenhaile's practice at Rockford Orthopedic Associates is focused on arthroscopic surgery of the shoulder, elbow, knee, and the treatment of sports or activity-related injuries. He serves as team physician for sports teams at the high school, college, and professional level, and as Clinical Assistant Professor and Adjunct Clinical Instructor for the University of Illinois College of Medicine, Rockford and Midwestern University, respectively.

He has spoken at numerous lectures and authored textbook chapters and journal articles on shoulders and elbow surgery. Dr. Trenhaile is actively involved in the development of surgical technique and device advances.

Rockford Orthopedic Associates, Ltd. serves the Northern Illinois region in multi-specialty orthopedics and offers a full range of orthopedic care including the specialties of podiatry, physical medicine and rehabilitation, and rheumatology. Rockford Orthopedic offers the ancillary services of physical therapy, MRI, workers' compensation, and an out-patient surgery center. #
