**Rockford Orthopedic Associates Rehabilitation Named Quality Winner  
for Healthcare Excellence**

**ROCKFORD, IL** August 19, 2014 ... Rockford Orthopedic Associate's Rehabilitation Center has been named a 2013/2014 Apex Quality Award Winner for demonstrating the highest level of excellence in patient satisfaction and overall care over the preceding 12 months by Voyance, a distinction earned by just 90 healthcare organizations from across the country.

APEX Quality Award winners are determined solely on patient feedback and evidence-based success. Rockford Orthopedic's Rehabilitation Center has received this distinction for the past three years.

Rockford Orthopedic's Rehabilitation Center provides on-site outpatient orthopedic therapy, specializing in physical, occupational, hand, and work rehabilitation therapies from five locations in the greater Rockford area and in Crystal Lake and Huntley, Illinois as Crystal Lake Orthopedics. The Center utilizes a patient-centric model of care with a collaborative and integrated multi-disciplinary approach focused on effectively alleviating pain and helping the patient return to their optimum quality of life.

Voyance is part of Symphony Performance Health (SPH), a company that empowers healthcare transformation by providing clients with powerful data, applications, and analytics that help enhance the patient care experience, improve population health, reduce the overall cost of care, and enhance performance. SPH is a CMS-approved CAHPS vendor.

Established in 1967, Rockford Orthopedic Associates, Ltd. serves the northern Illinois region in multi-specialty orthopedics and offers a full range of university-level orthopedic care including the specialties of podiatry, physical medicine and rehabilitation, occupational health, and rheumatology. It offers the ancillary services of physical and occupational therapy, MRI, workers' compensation, prosthetics and orthotics, and an out-patient surgery center and does business as Crystal Lake Orthopedics in Crystal Lake and Huntley, Illinois.#

*... a higher standard of care.*
