Scott Trenhaile, MD of Rockford Orthopedic Associates, selected as U.S.A. representative to lecture at February 2015 International Orthopedic Surgeon Conference in Singapore

ROCKFORD, IL March 17, 2015 ... **Scott Trenhaile, MD** was selected as the sole presenter from the United States at the IRAMEA Arthroscopy Solutions Shoulder Master Forum ATSC held at the National University Hospital in Singapore February 27-28, 2015; and he was one of just five lecturers chosen from the USA, United Kingdom, France, South Korea, and Canada featured at this academic event.

The international forum was attended by top orthopedic surgeons from India, Russia, Africa, Middle-East, and Asia to advance their skills in the latest state-of-the-art technology and procedural technique. "IRAMEA" is representative of the first initial of each of these countries.

Dr. Trenhaile is highly regarded throughout the world for his innovation in surgical technique. At the IRAMEA Forum he gave three shoulder related lectures on arthroscopic bankart repair, biceps lesions, and subscapularis repair. He has served as lecturer at multiple orthopedic summits and national meetings in the United States in recent months and will be presenting at numerous upcoming courses, including at the prestigious American Academy of Orthopaedic Surgeons Annual Meeting in Las Vegas later this month.

Dr. Trenhaile's practice at Rockford Orthopedic Associates is focused on arthroscopic surgery of the shoulder, elbow, and knee, and treatment of sports- or activity-related injuries. He serves as team physician to many local sports teams at the high school, college and professional levels and as Clinical Assistant Professor at the University of Illinois College of Medicine and adjunct Clinical Instructor at Midwestern University. Dr. Trenhaile is a frequent speaker and instructor at orthopedic conferences throughout the world and has hosted dozens of international surgeons in Rockford seeking instruction on his advanced arthroscopic surgical techniques. Dr. Trenhaile has been honored with the prestigious peer designation "Best Doctors" since 2013.
