EDUCATION

Wright State University Primary Care Sports Medicine Fellowship

Kettering Sports Medicine, Kettering, OH

June 2015 to Present • Anticipated Completion: June 2016

Physician for numerous sports teams and athletic events, including:

- Dayton Public Schools - High school football and soccer players
- Central State University football players
- Dayton Corridor and State of Ohio Tournament cross-country runners
- Junior Elite Triathlon participants, Westchester, Ohio
- Dayton Dragons professional minor league baseball team, Cincinnati Reds Class A affiliate

Triage for emergent care and immediate stabilization. Assess for on-field concussions. Suture wounds, apply splints, and perform other medical procedures during games and events. Trained in spine-boarding for proficiency in handling patients with suspected spinal injuries to prevent or reduce further damage during transport.

Conduct acute sports injury clinics on Saturdays to assess and treat players during football season. Run a continuity clinic with sports medicine, family practice and orthopedic physicians for follow-up and rehabilitation. Assess and treat primary care patients with same-day appointments.

Wright State University, Boonshoft School of Medicine, Dayton, OH

June 2012 - July 2015 • Family Medicine Resident

2014 – 2015 Third Year Resident, Chief of Family Medicine – **Full** responsibility for supervising 27 first, second and third year residents in the Family Practice program.

2013 – 2014 Second Year Resident, Chief of Family Medicine – Elected as a second-year chief resident to share supervision of 27 first, second and third year residents in the Family Practice program with 2 third-year residents.

2013 - 2014 Lead Recruiter - Chosen by faculty to head the recruiting process based on being personable, outgoing, reliable, trustworthy, and exemplifying the traits desired in candidates for the program.

Throughout residency, evaluated, treated and followed up with inpatients and outpatients across Sports Medicine, General and Orthopedic Surgery, Critical Care, Emergency Medicine, Cardiology, Pulmonary, Pediatrics, Obstetrics, and Psychiatry.

Affiliated with the following healthcare facilities:

- Good Samaritan Hospital, Dayton, OH - Inpatient, 577-bed Trauma One Emergency Department and Teaching Hospital.
- Five Rivers Family Health Center, Dayton, OH - Outpatient, 40-patient rooms, two procedure rooms for colposcopy, spirometry, cryotherapy, and laryngoscopy.
- Bethany Village, Centerville, OH - Geriatric care facility providing independent, assisted, rehabilitation, and complete nursing home services.

Honors received during residency:

- Society for Teachers of Family Medicine - 2015 Resident Teacher Award
Given annually to one resident who best demonstrates interest in, and commitment to, family medicine education during his or her three years of residency.
- Arnold P. Gold Humanism in Medicine Award - 2013
Presented annually by Wright State University Medical students to recognize excellence in clinical care, leadership, compassion and dedication to service.
